

ALUMINUM MODELS SA6000 / SA7000 WARRANTY INFORMATION

One (1) Year Limited Manufacturer Warranty

FOR A PERIOD OF ONE YEAR FROM THE DATE OF DELIVERY, the SA6000/7000 overhead doors, hardware, and parts, supplied in conjunction therewith, will be free from any defects in material or workmanship.

Failing which, Steel-Craft shall repair or replace, at its option, the door panel, hardware or parts, as applicable. In order for this warranty to apply, the customer must make a claim, in writing, to the dealer from whom the product was purchased, within the time frame set forth above, whereupon Steel-Craft shall be entitled to either send a service representative to the customer's site, or alternatively, require the customer to return the product to Steel-Craft, at the customer's expense.

The above warranties are the only warranties provided in respect of the SA6000 / SA7000 overhead doors and associated parts, and any other warranties, express or implied, including any warranties of merchantability or fitness for a specific purpose, are hereby expressly excluded. Steel-Craft, shall not be liable for any consequential damages or direct costs associated with the repair or replacement of any product for which the warranty applies, and in particular, but not so as to limit the generality of the foregoing, shall not be liable for any shipping, handling, installation, removal, re-installation, finishing or painting required as a consequence of the repair or replacement of the product. Further, the warranties shall not apply if the overhead door or any associated parts are misused, improperly maintained, improperly installed or abused, which shall be deemed to have occurred if any holes are drilled in any places other than in accordance to the manufacturers installation instructions.
